Parking: Before 12:30, individual vehicles may only park in the staff lot located alongside the tennis courts and baseball field. To access that area, turn right at the first possible moment after turning onto Stallion Ridge. The closest place to park is at the end of the tennis courts near the stadium. You may park in a marked space or any curb not painted red. Once parked, walk down the hill towards the theater (big white building that you can't miss). People parking in other areas will be ticketed. Directors, please share this with your parents as there are always a few issues every year of parents getting upset when told to park elsewhere. After 12:30, there are no parking restrictions, and parents should park in the main lot at the front of the school.

Bus Parking: Buses should continue down Stallion Ridge towards the front of the school and drop off in front of the theater. We will direct buses where to park if they are staying.
